

# Ms. Fipps' Chemistry Class

## Welcome to Chemistry

### Supplies:

- Three Ring Binder
- Composition Notebook
- #2 Pencils & Pens
- Scientific Calculator
- Reference Table

### Classroom Procedures:

#### Rules

1. Be Respectful
2. Show Self Discipline
3. Show Integrity
4. Be Kind
5. Follow all Heritage HS School rules

### Husky Honor Code:

Students will follow the Husky Honor Code at all times.

### Make up work:

If you miss a day, you are responsible for finding out what was missed.

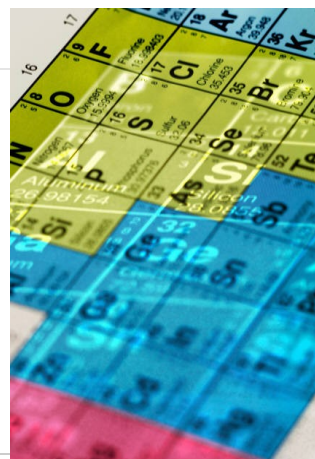

### Blackboard:

Make sure you enrolled yourself in Fipps Chemistry on Blackboard. This will be where you find all of the lectures, guided notes, and study help. Also, any formal lab reports will be submitted here.

**Late Work:** Late assignment will be subject to a 30 point deductions -i.e. the highest grade you could make would be a 70. Assignments due before mid-quarter will not be accepted after the announced date.

### Attendance:

Being present and attentive is necessary for successful completion of this course. Missing days in the class may cause you to fall behind and may be difficult to catch up with the rest of the class. Therefore, it is very important for you to attend class every day and be on time!

### Grading Policy

Tests	40%
Labs	40%
Quizzes & Daily Grades	10%
Projects	10%
Midterm ( First Quarter)	10%

**Retest Policy:** If you score less than 76% on a test you are eligible to take a retest. You must attend a remediation session before your retake the test. The average of your original score and the recovery score will be your new grade.
